ORDER denying [41] Letter Motion for Extension of Time. Having already had seven full weeks to prepare a response to Defendant's December 11, 2015 motion, Plaintiffs provide no reason for an additional extension, let alone an extension of six additional weeks. Accordingly, the motion is denied. As a courtesy, however, the Court will grant Plaintiffs' one extra week - to February 8, 2016 - to file an opposition or amended complaint; Defendant's deadline is extended by one week as well. (HEREBY ORDERED by Judge Jesse M. Furman)(Text Only Order) (Furman, Jesse)
